Cross Over & Break (video B3CCa)

See first:

- Cha Cha Social Ease - Feet Placement and Timing
- Cha Cha Social Ease - Frame for Crossovers and 5th Position Breaks
- Cha Cha Preliminary Bronze - Accents - Size and Timing
- Cha Cha Preliminary Bronze - Partnership on Double Cross Overs
- Cha Cha Preliminary Bronze - Progressive Basic Footwork

This video shows the breakdown of a very tricky step, to bite size pieces that when put together make for a showy step that is actually not hard to do.

Importantly not just here, essentially here, the **See First list:** are very important.

Fake Steps video (B3CCb)

This video shows how to in any dance – move from the natural Opposite Foot to your Partner to the same foot as your partner. This becomes important in every dance and allows you to dance in a Parallel or Shadow Position
